

# '19 - '20 Naquag Elementary School Second Grade Supply List

*Although the materials listed below are not required, the second grade teachers suggest these items would be helpful to the students.*

- Back pack, book bag
- Pencil box or pencil bag
- Pencils – 24 (Dixon Ticonderoga pencils work best with our sharpeners)
- Crayons – a box of 16 or 24 is perfect (please, no large boxes)
- Scissors – *Fiskars* are the best!
- 6 large or 12 small glue sticks
- 1 - two pocket folder for papers and notices
- **Inexpensive** headphones (to be used only by your child and returned in June). If sending in ear buds, please make sure your child can use them independently. We have found that headphones seem easier to most of the children.
- Black Expo dry erase markers - fine line, low order are best (suggested amount of 8-12 markers)
- 1 three-ring binder (1 inch)

## **Donation items that will be shared with the class:**

3 Boxes of tissues

2 rolls of paper towels

Box of Ziploc bags (sandwich, gallon, or 2.5 gallon sized)

2 Containers of disinfecting wipes

Early in the school year, your child's teacher will also be asking for a **picture of your house and your family** (4 x 6 inches) for a special project. These pictures can be sent in anytime throughout the month of September.

*Second grade teachers may ask for additional items as the need arises.*
